

LONG SHADOWS

DISTINGUISHED WINERIES & VINEYARDS

Long Shadows Vintners was founded in 2002 by Washington wine visionary Allen Shoup, who as President and CEO of Chateau Ste. Michelle from 1984-2000 forged internationally acclaimed winemaking partnerships with Piero Antinori (Col Solare) and Dr. Ernst Loosen (Eroica Riesling). Long Shadows Vintners now builds upon those successes by bringing an elite cadre of the world's most celebrated winemakers from the finest wine regions around the globe to Washington in order to create world class wines that showcase the viticultural excellence of Washington State's Columbia Valley.

Each celebrated vintner partners individually with Shoup and resident winemaker Gilles Nicault on a distinct winemaking program to produce a single "best of type" wine under a unique label. These include: *Pedestal Merlot* by *Michel Rolland* (international consultant and owner Le Bon Pasteur, Pomerol); *Sequel Syrah* by *John Duval* (formerly of Penfold's Grange, South Australia); *Poet's Leap Riesling* by *Armin Diel* (Schlossgut Diel, Nahe, Germany); *Pirouette* by *Agustin Huneeus* (Quintessa, Napa Valley) and *Philippe Melka* (Vineyard 29, Hundred Acre, Napa Valley); *Chester-Kidder* by *Allen Shoup* and *Gilles Nicault* (former winemaker at Woodward Canyon, Walla Walla Valley); *Feather Cabernet Sauvignon* by *Randy Dunn* (Dunn Vineyards, Napa Valley, formerly of Caymus); and *Saggi* by *Ambrogio & Giovanni Folonari* (Cabreo, Nozzole, from Chianti Classico and La Fuga, Brunello di Montalcino, Tuscany).

Long Shadows is named in tribute to the stature of this select group of individuals, who continue to shape the wine industry with their benchmark wines and wineries.
