

Long Shadows Vintners Collection

FEATHER

2013 Cabernet Sauvignon
by Randy Dunn

Columbia Valley, Washington

92+ points **The WINE ADVOCATE.**

"Sports an inky purple color to go with firm, masculine notes of dark chocolate, smoked earth, roasted coffee, graphite and ripe black currants. Beautifully concentrated, with solid mid-palate depth and masses of ripe tannin... and it will drink well through 2043."
